To,
Akshara Samajik Pratishthan

Every small contribution matters to our children and their parents. We are so happy to have someone like you as part of our donor family. Your financial contribution will make it possible for us to continue treating less affording patients.

Without your financial contribution, we would not be able to give these children a second chance of life. Once again, thank you for your kind and generous contribution.

Regards

THANK YOU

You don't need to be a superhero
To bring smile on someone's face.
Your small contribution in their problems
will do this.
